# Business and Professional Women Mean Business!

## ORGANIZATION

Founded in 1919, **Business and Professional Women (BPW/USA)** was the first national organization formed to promote equality for women in the workplace. In 2009, **BPW/USA** merged with the **BPW Foundation** (founded in 1956), and includes a network of over 12,000 workingwomen in hundreds of cities and towns across the country.

The **Maryland Federation (BPW/MD)**, founded in 1929, is affiliated with BPW Foundation and with local BPW organizations throughout the State. The Maryland Federation, consisting of seven local organizations in the State, is a not-for profit, non-partisan, non-sectarian, self-governing and member supported organization. Our membership is diverse with administrators, teachers, business owners, secretaries, and many other professions. Our members are women and men of every age, race, religion, political party, and socio-economic background. Anyone who supports our mission may become a member.
